EYFS Rolling towards the summer

During outdoor play EYFS children experimented with rolling different types of tyres. First children have to learn how to roll and balance the tyre. Then they have to adopt a good push/roll strategy. Discussion followed. Does the best push go the farthest or is it the type of tyre the factor?

CIS Accreditation visit to EIS East May 14th – 19th

The six **CIS Visiting Team** members are arriving today and will be in school from Monday to Thursday to assess the school's ability to achieve an accreditation status. This is a very important and historic developmental stage the EIS East Campus is going through, so wish us luck that our attributes will be well and truly recognised by the Visiting Team. We are looking forward to meeting our educational colleagues from other international schools. We know they will be impressed by what EIS East provides in terms of its academic programme and the broader social and community aspect that makes EIS East a truly international school.

Understanding how international we really are!!!

Next week the students at EIS East are going to be talking about how they know they are international and challenging the school to demonstrate how it can be more international in what it does on a daily basis.

The **Primary** and **Secondary** students have been asked to bring in items for the assemblies on Tuesday and Wednesday that they think represent **internationalism/international mindedness/patriotism and their culture**. **We will be discussing how** The items or objects can be anything like, hats, clothe items, toys, badges, musical instruments, food, pictures etc. They will be used as a topic of discussion in the two assemblies.

Usborne Books on sale next Friday at EIS East.

International book seller **Usborne Books** will be in school next Friday, May 20th. A range of international books will be on sale throughout the day.

New improvements to the EIS East play KS2 Play area.

The maintenance team have resurfaced the area underneath the primary playground equipment and slightly reorganised the climbing frames and they are just waiting for the weather to be drier and warmer, and they will then add the top surface.

EIS East Primary Swimming Gala.

EIS East held its third successful swimming gala on Thursday and all the children who took part really did try their best and enjoyed the morning. Well done primary swimmers.

One of our Year 4 boys performing his best breaststroke in the Primary Swimming Gala.

The older primary girls..... Get ready.....go!

Wrap up warm for the weekend and enjoy the summer weather in Moscow!
